STRIP A ②
 After coloring panels as shown, cut out on heavy line and fold toward back on light lines

SMOKEY'S FIRE DANGER RATING SIGN

③ Insert folded strip A, into slots 1-2 + 3-4, then glue small flap to back of red panel. Turn through slots to rating desired.

① First, color all parts, except sign area, which should remain white. Next, cut out on heavy outline, and slots 1-2 + 3-4. Follow instructions ② and ③, then fold back side panels to set up sign.
